„Beep … beep … beep!"

„FUCK! Why's that machine beeping? … I haven't done anything! There's no need to beep … What THE FUCK is going on? You can't do that to me! I refuse to be beeped at! … I'm Lars Ulrich … LARS ULRICH! Got that? … I haven't done anything! The machine has to take back it's beeping, or my lawyers will be in, because nobody - I repeat: NOBODY - is allowed to beep at Lars Ulrich! UN-BE-LIE-VA-BLE! This can't be real …"

"Sir, the alarm meant the lady behind you! Please, get out of the way!"

"WHAT?"
